CLEAR PLASTIC

# Laminating Sheets

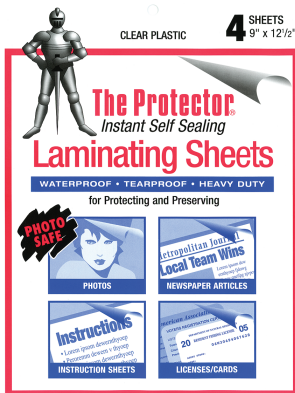

for Protecting and Preserving

MADE IN U.S.A.

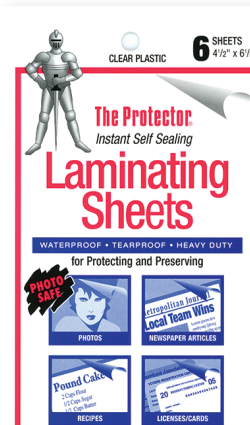

**STRONG PERMANENT PROTECTION FOR:** Pictures, Wallet Prints, Identification Cards, Recipes, Newspaper Clippings, Business Cards, Licenses, Luggage Tags, Certificates and much more! Adhesive will not harm photos.

**The Protector® Laminating Sheets** are made from a clear synthetic material that is non-tear, waterproof and instantly self-sealing.

Preserves and protects without yellowing or getting brittle with age. Easy to work with - no special tools or heat needed! Can also be applied to various surfaces such as metal, glass, cardboard and paper by covering with a single sheet.
